Veerababu Pandrakula

Personal Information:

@ : veerababupandrakula214@gmail.com

in: https://www.linkedin.com/in/veera-babu-ab2ab7222

contact: +91 7095 196908

Skills:
- java
- Basics of python
- MySQL
- Basic knowledge HTML,CSS

Languages:
- English
- Telugu
- Hindi

Intersets:
- Playing volleyball
- Exploring roots of Indian culture
- Reading manga(comics)

Soft skills:
- Passionate towards work
- Leadership
- Positive

Project(s):

Body mass prediction :
BMI of the person is predicted using Linear regression algorithm.In the project we take input from the user like Weight,Height. From these inputs from the user ,we predict BMI of a person with the BMI, we can classify the person in which category,he maybe such as over weight,under weight

Objective:

To work as a software engineer, using the Knowledge gained in coding and problem solving and to venture into new fields working with well driven people.

Academic Credentials:

- Sri Vasavi Engineering College, Tadepaligudem
  B.tech (Pursuing with 81.52% till IV semester)
- Aditya Junior College, Palakollu
  Intermediate (2018-2020)
- Holy Angels E.M High School
  SSC (2018)

Achievements:

- Participated in workshop conducted by APSSDC at sri vasavi engineering college on **AWS cloud computing**

- Participated in workshop conducted by Brain-o-Vision at sri vasavi engineering college on **Web development**

- Participated in workshop conducted by NewLeaf at sri Vasavi engineering college on **Reactjs.**

Co-curricular activities:

- Member in computer science and engineering department **Newsletters Volume 12 (SCUD ARSENAL)**
- **Scored 500**+ ranks points in Geek for Geeks problem practice section

Extra-curricular:

- **A**ctive member in NSS club
